Dear Sir

We acknowledge that the following student will be attending the MSC Mt Buller Annex in 2020. As the school where they are regularly enrolled (Base School), we agree to one of the following options:

We acknowledge that the student will be studying the @Altitude curriculum, specifically developed for students at the Annex

Or

We agree to provide work (to be supplied as one of: hard copy, emailed, on-line or faxed) that will be adequate in quantity, cover base school curriculum and be engaging for the duration of Term 3, 2020.

Whilst MSC can facilitate communication with the base school, we encourage correspondence directly between the base school and the student. Unfortunately, MSC cannot guarantee individual tuition in particular subjects as the core focus of teacher time will be on providing the @Altitude curriculum.
