

### **RATIONALE**

Mansfield Secondary College School Council has adopted the following policy for mandatory uniform to be worn by students of the College.

The Principal, staff, parents and students are all responsible for the active implementation of the Uniform Policy in a manner consistent with the *Student Code of Conduct*.

Students must conform to the uniform standards on all College occasions unless otherwise directed by the College Principal.

This Uniform Policy applies during school hours, while travelling to and from school and when students are engaged in school events, excursions and activities out of school hours.

The wearing of the school uniform by students:

- Promotes a student's sense of identity with and pride in the College
- Raises the profile of the College and its students in the broader community
- Creates a level playing field among students, reducing peer pressure and bullying.

No student will be discriminated against on the basis of sex, race, ethnic group, nationality, religious beliefs, colour or disability. No student will be discriminated against if, for financial reasons, uniform cannot be provided. The College will make every effort to assist families having difficulty providing uniform.

2. Students are to attend school in general school uniform unless they have PE in Period 1.
3. Students are to change back into general school uniform after PE, although if students have a PE class at the end of the day, they can depart school in their PE uniform.

#### **Sun Smart Hat**

The College encourages the wearing of hats while students are outside during the summer months. Sunhats are available for students to purchase from the uniform store.

#### **Purchasing of Uniform**

1. **At school** - Our uniform shop is open weekly through the term. The dates and times are on the school's website and newsletter.

#### **Exemptions to the Uniform Policy**

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply in writing to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background

- the student has a particular disability or health condition that requires a departure from the dress code

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers

### **Concerns about this Uniform Policy**

Mansfield Secondary College welcomes feedback from the school community in relation to this Uniform Policy. If you have a concern or complaint about the Student Dress Code, further information about raising a concern or complaint is available at our school's *Complaints Management Policy*.
