Mansfield Secondary College aims to create and maintain a learning environment that facilitates development of the whole person and to promote a healthy, supportive and secure environment for all students. The school offers programs to enable students to further their learning by complementing classroom lessons with experts and resources from outside the immediate school community. Management and school council expect that staff, including contractors and volunteers, visitors and children are proactive in ensuring the safety of children at all times.

AIMS

All students have the right to feel and be safe in the framework of programs offered by Mansfield SC and in those offered by external providers.

Safety and Welfare of Students learning with an External Provider

Management will take appropriate steps to ensure that child safety is considered in the recruitment, selection of staff (including contractors and volunteers). This will involve:

- Working with Children Check Status, or similar check;
- Proof of personal identity and any professional or other qualifications;
- The Person's history of work involving children; and
